

TIMBER TOOLS & ARTISAN SHOW

SYDNEY | ROSEHILL GARDENS | 7-9 JUNE 2019 | 10-4PM DAILY

The show to be inspired to LEARN. LOVE. CREATE

For over 30 years, the Timber & Working with Wood Shows has been an institution for woodworkers across Australia and the premier event for wood crafts. In 2018 the shows gained a new owner with a new vision to grow them well into the future and inspire the community - so here we are, the second **Timber Tools & Artisan Show!**

Our new show format aims to bring a wider range of artisan crafts, maker skills and inspiration to our communities, while always staying connected to our woodworking heritage with a prominent timber and wood craft presence. We want to help inspire visitors to find a new art, learn more about it and gain the skills and tools they need to start their own journey of creativity.

Thank you very much to our visitors, exhibitors and suppliers alike! With your support at this Sydney show and future shows in this series, we can continue to grow our vision in 2019 and beyond!
